President's Corner

Nicole Ernat

The FY22 SWE Executive Board is excited to connect with each of you this year! There are many new goals for the chapter this year including increased social media campaigns, high school stem engagement programs and growth in the chapter network. In addition to these new goals, there are several key initiatives to strengthen programs started in previous years including the Christine Strain Memorial Scholarship, Girl Scout Day, SWE national conference and quarterly professional development series. Any events you are looking forward to, please reach out!

I am sure many of you have received an email from SWE titled "Your membership expires tomorrow - renew today." Please rest assured that if you filled in the membership google sheet that was sent out at the end of June, your membership is in process. Please be patient as your membership might not show active until the end of November as the PO takes time to be paid.

Should you have any questions, please reach out to Michele Wilcox, membership chair.
